

### SPOTLIGHT STORY

#### **Kelly Roos** Clinical Director - East

"I love supporting parents as they learn to work with their child and celebrate their child's success. At Autism ETC, we want families to know they have a strong network of support."

Kelly Roos is our Clinical Director - East, which means she oversees all our Tennessee clinics. She joined Autism ETC in 2016 after becoming a BCBA.

"I'm very passionate about staff training. In my current role, I've had the privilege of watching so many staff members fall in love with ABA, growing from RBTs to Lead RBTs, then to BCBA's, and even into leadership roles."

Kelly has celebrated several personal milestones outside of work, including marrying her husband and welcoming their daughter.

You can read more about Kelly's story on our website.

### FARM WEEK

The kids at our Clarksville clinics had the best time learning all about life on the farm. They got to meet chickens, turkeys, and sheep, learn how to ride a straw horse, and how to milk a cow!

### LIFE SKILLS

This month, our life skills group will be learning about money and all about themselves.

#### **Week 1: 9/29 - 10/3**

Coins

#### **Week 2: 10/6 - 10/10**

Dollars

#### **Week 3: 10/13 - 10/17**

Adding Money

#### **Week 4: 10/20 - 10/24**

Budgeting

#### **Week 5: 10/27 - 10/31**

Who I Am
